New England Network Solutions Named to 2018 CRN Fast Growth 150 List

LOWELL, Mass., August 14, 2018 (Newswire.com) - New England Network Solutions (NENS), announced that [CRN®](#), a brand of [The Channel Company](#), has named **NENS to its 2018 Fast Growth 150** list. The list is CRN's annual ranking of North America-based technology integrators, solution providers and IT consultants with gross sales of at least \$1 million that have experienced significant economic growth over the past two years. The 2018 list is based on an increase of gross revenue between 2015 and 2017. The companies recognized this year represent a remarkable combined total revenue of more than \$50 billion.

"Our team is honored to be on the CRN Fast Growth 150 List. We have been providing reliable IT Solutions for over 25 years to firms in the SMB market. We love partnering with clients that need an innovative solution to their IT services that will grow with their business. Our experienced team supports not only our clients' day to day IT needs but their companies overall goals. Our team's expertise and enthusiasm has driven our growth and success and we thank CRN for including us in their 2018 list," states Daniel Adams, President NENS.

"CRN's 2018 Fast Growth 150 list features companies that are growing in an ever-changing, challenging market," said Bob Skelley, CEO of The Channel Company. "As traditional solution providers are moving towards a services-focused business model, this extraordinary group have been able to successfully adapt; outperforming competitors and proving themselves as channel leaders. We are pleased to recognize these organizations and look forward to their continued success."

The complete 2018 Fast Growth 150 list is featured in the August issue of CRN and can be viewed online at www.crn.com/fastgrowth150.
